

As members of the Iowa House of Representatives, we support Chuck Grassley for re-election to the U.S. Senate.

Iowans count on Senator Chuck Grassley. He's a lifelong family farmer from Butler County. Iowa farmers never retire and Chuck Grassley never calls it quits.

As one of the youngest legislators ever to serve in the Iowa State House, he's now a senior statesman and mentor to many of us.

Grassley was named the "most effective" lawmaker, has the best attendance record and longest consecutive voting streak in the U.S. Senate.

A committed leader for Rural America, Chuck Grassley is the go-to lawmaker to:

- *keep our hometown hospitals open;
- *give Iowa agriculture a voice at the policymaking tables;
- *spearhead the fight for Iowa's renewable energy jobs, from wind energy to biofuels;
- *make the government work for us, not the other way around.

A watchdog against government waste, the Grassley amendments to the False Claims Act are responsible for recovering \$64 billion to the federal treasury since 1986, and counting. Taxpayers are protected every time Grassley safeguards this law from special interests out to gut it.

In Grassley's first campaign for Congress, he ran as The Inflation Fighter. A tight-fisted fiscal conservative, Iowans trust Chuck to protect taxpayer dollars and grow the economy. We need Chuck now more than ever to stop the reckless tax-and-spend agenda of the Biden administration.

President Biden wants the federal government to control our lives and livelihoods with cradle-to-grave entitlements. Nancy Pelosi is "working feverishly" to transform America. Not on Chuck's watch. Chuck Grassley is a champion for freedom. He's not calling it quits because he's fighting for the next generation to enjoy the American Dream and our way of life.

We endorse Chuck Grassley because the senator we need is the senator we've got.

Signed,

Speaker Pat Grassley
